

How can Mennonite Mission Network serve your congregation?

- Mennonite Mission Network can help your congregation participate in mission through partnerships. Join us as we sit down with our partners as equals, and we'll make decisions about ministry together.
- Service programs train present and future leaders of our church—of your congregation. Many previous participants have become pastors or lay leaders in congregations.
- From mission teachers and preachers to publications and globe mission banks, Mennonite Mission Network gives your congregation tools for mission—across the street and around the world.

Mennonite Mission Network at a glance

Mission Sunday 2016

Mennonite Mission Network exists because Jesus calls the church to passionate involvement in God's mission.

Our goal is to assist every Mennonite Church congregation to connect to what God is doing in the world. By partnering with others, we help equip missional congregations and their leaders to share the whole gospel of Jesus Christ in their culture.
